

A MITSUBISHI PAJERO KAC443L SOLD 2004

Maranatha Faith Assemblies were questioned about the sale of a Mitsubishi vehicle manufactured 1992. In the report from Riksrevisionen it was said to be an expensive Ford which was wrong. (It had nothing to do with the programs audited by Riksrevisionen). This vehicle was bought as second hand -94 and it was used by a Swedish missionary, who was involved in project work in both Kenya and Uganda. It was a duty free vehicle. In April 2004 it was bought by Mr. George Odhiambo. He paid K.shs. 130,000. That time the vehicle was in a bad condition and the church felt it was too expensive to maintain. Before the transfer to his own name the new owner had to pay custom fee K.Shs. 96,303/- and clearing fees K.shs. 9,000/-. He had also to spend a lot of money to re-paint the vehicle and repair it. After all this the AA has valued the car to K.shs. 220,000/-.

Please, find the documentation of the vehicle attached.
